# WHY JOIN A STAFF NETWORK?

Our people are our greatest asset.  
When we feel supported and happy  
in work this positivity reaches those  
Very people we are here for, the patients.

tackle issues from  
underrepresented  
and disadvantaged  
groups and  
individuals

help shape and  
deliver our  
organisational  
strategy and policy

offer a place to come  
together, share  
experiences and  
facilitate learning and  
development

improve the staff  
experience on  
specific issues  
relating to each  
network
